Non Profit Booth Space Application

You are cordially invited to submit a non-profit booth entry for the Holiday Glow and Christmas Market to be held in beautiful Downtown Brighton. This is the perfect avenue for non-profit fund-raising and community exposure.

Booth space is approximately 12' x 12' and located on Main Street. Exhibitors should be set up Saturday Morning – no later than 12:30pm. We ask that your group be ready to greet our guests at 1:00pm. Please check your set-up time preference on the application below. Exhibitors will provide their own display stands and should plan for protective coverings. Only 10x10 'pop up' tents are acceptable shelter and you must provide your own weight system in preparation for any inclement weather. As a non-profit, you will also need to provide your own table(s) and chair(s). We do not provide electricity and the Brighton Fire Department prohibits the use of generators. Unloading and set up is available on Main Street. We ask that you unload quickly, move your vehicle and then begin set up. No cars or trailers will be permitted on Main Street after show hours begin. We will provide a private parking location for show participants (Brighton High School). Security is included both Friday and Saturday evenings; it will not be necessary to break down your booth. Concessions and restrooms will be available at the event.
